About Higher Education Forum (HEF):

Higher Education Forum (HEF) is promoted as an advocacy group of individuals concerned with issues and challenges in the landscape of higher education in India. The individuals include representatives from all stakeholders of higher education. The sole objective of the forum is to help creation of an excellent world class higher education system in India. This encompasses creation of appropriate structure, strategies, processes and development of institutions.

Founded by a few academics and corporate leaders in 2009, with a view to transform India with an innovative and ebullient higher education system, the forum has emerged as the largest such on-line community on a global scale with more than 4,000 members. HEF is also registered as a Public Charitable Trust.

HEF is involved in a number of capacity building activities for two of the most important stakeholders in the space of higher education, namely faculty members and students. This includes annual convention, regional conferences by HEF chapters in different parts of the country, HEF annual teachers' day event and annual Free Press Journal (FPJ) Scholarship event, skill programs for faculty as well as students. HEF also has a well-respected bi-annual journal christened as “**Indian Journal of Higher Education**”, the only such journal in the parlance of higher education in India.

About the Organizing College:

A sixteen-year young and evolving Patuck-Gala College of Commerce & Management is under the aegis of the 85-year-old Patuck Polytechnic Trust, which is registered under the Bombay Public Trust Act, 1950. The Trust has gradually appended educational institutes under its umbrella and today imparts education to all age groups, right from toddlers to graduates and also vocational students. The educational institution has its roots in philanthropy and that culture is deeply rooted even today.

Patuck – Gala College of Commerce & Management is affiliated to University of Mumbai. At the time of its inception in 2002, the College offered Bachelor of Commerce (B.Com). In the academic year 2003-04, the College spread its wings and commenced

Bachelor of Management Studies (B.M.S) and to meet the increasing demand in the market, the College started B.Com – Banking & Insurance (B.B.I) in the academic year 2009-10.

The Vision of our Institute is “To innovate, enhance, empower and excel in education.” Keeping the growth of our students and faculty in mind, the institute encourages both to enhance their research skills by encouraging various faculty members to publish their research papers in Insight Management Review, our College Journal and encourage our students to publish their findings in Prasuvidha, our Annual Research Student Journal.

The efforts put in by the College was acknowledged and applauded by the University of Mumbai in the academic year 2015-16 when it awarded our College the best NSS unit of the year. Again, in July 2017, the College was awarded the Best Academic Institute for Student Services and the Best Emerging Institution, by The Indus Foundation. The College is accredited by NAAC in the second cycle and is awarded B++ Grade (CGPA 2.77).

About the Research Conference:

Indian Economy and Society at large are undergoing a rapid transformation. Evolution of an aspirational society with global outlook and a huge young population with different narratives and perspectives of life are realities of the New India. To infuse this young population with the right skills / attitude, the country needs a comprehensive and an inclusive type of education system in terms of policy, scope and delivery. It has to be globally oriented without losing Indian values and ethics. This calls for a huge innovation in the education system.

This is in the above backdrop that the **2nd HEF International Research Conference** is scheduled on **7th December 2019, Saturday**. The Central Theme of the Conference is: “**Building New India through Innovation in Education.**”

Topics for Research Papers:

The Sub – Themes of the Conference are:

Sub-Theme I: Innovations in Policy and Structure of Educational System as a Facilitator to Build New India

Sub-Theme II: Technological Innovation as a Driver for Transformation in Education and Building New India
