Vision

“TO INNOVATE, ENHANCE, EMPOWER AND
EXCEL IN EDUCATION.”

Mission

1. To make higher education accessible to all, particularly to socially weak students, enabling them to face challenges of life with a positive attitude.
2. To provide a conducive atmosphere for intellectual development and to impart authentic leadership training.
3. To give better facilities and total delight to all stakeholders.
4. To be at the forefront in all fields of education.
5. To promote effective use of information technology to ensure continuous improvement in imparting quality education.
6. To start courses and curriculum to meet market needs.
7. To promote global standards of professional education in an environment attentive to requirements of partner institutions.
8. To ensure that administrative and accounting records are up-to-date and reviewed regularly.
9. To make students responsible citizens of the country by stimulating social responsibilities through community-oriented programmes.
10. To provide facilities for overall personality development of students.

Quality Policy

Our Quality Systems offer holistic education in Commerce and Management Studies for empowering students from all strata of society by encouraging academic progression and employability. This is done by imbibing leadership qualities with moral and ethical values aimed towards social commitment. We achieve this with the inclusion of all the stakeholders through:

- Providing a congenial work environment to human resources and learning environment to students;
- Enhancing competence of the faculty by encouraging them to adopt innovative and updated methods of teaching based on the latest technology;
- Review and maintenance of facilities provided to the stakeholders;
- Evolving the institutional systems based on the feedback obtained from stakeholders;
- Striving towards continual improvement of Quality Management Systems to ensure stakeholders' delight.

OBJECTIVES

1. To promote quality education among students by which an all round and multi - faceted character is formed and to empower them to become good human beings in society.
2. To make higher education accessible to needy and socially weak students, so that they are able to face challenges of life with a positive attitude.
3. To stimulate social responsibilities through community oriented extension programmes.
4. To imbibe quality consciousness among students.
5. To improve the academic performance of the students.
6. To continuously evolve and keep up with global developments in education.
7. To infuse technology in our methods of teaching.

PRINCIPAL'S MESSAGE

The motto of the Institution is to bring total delight to its stakeholders. The teaching staff members inculcate in students a sense of discipline along with developing skills and creativity in them. The focus at the Institute is to ensure the overall development of students and hence they are encouraged to participate in a number of curricular, co-curricular and extra-curricular events. The grooming ensures our students of awards and laurels that not only make us proud but also boosts the confidence of the students to try and do the best in their lives.

The enrichment of the teachers is also catered to. Teachers are deputed for UGC-HRDC and RUSA short term programs, workshops, conferences and seminars. We have gone a step ahead, to not only encourage research among teachers but also among the students. Since the last Academic Year, we are publishing an Annual Student Research Journal, - '**Prasavidha**'

We believe that every College should have a congenial teaching-learning environment, and all our efforts go towards the same. Students feel at liberty to meet teachers and obtain guidance on academics, personality grooming and career. The teachers too are enabled to channelize their work time in the College so as to meet the development needs of the students.

We are also inculcating in students the awareness and the need to conserve the environment, by making our campus more and more environment friendly. We fortunately have a plush ground and campus area which is rich in flora. We maintain the greenery on campus, have installed solar panels and are also moving towards bottle gardening by making each student adopt a plant.

Awards are no benchmark for the efforts we put in. Still, it gives me immense pleasure to inform you that in July 2017, the College was awarded the *Best Emerging Educational Institution* by **The Indus Foundation**.

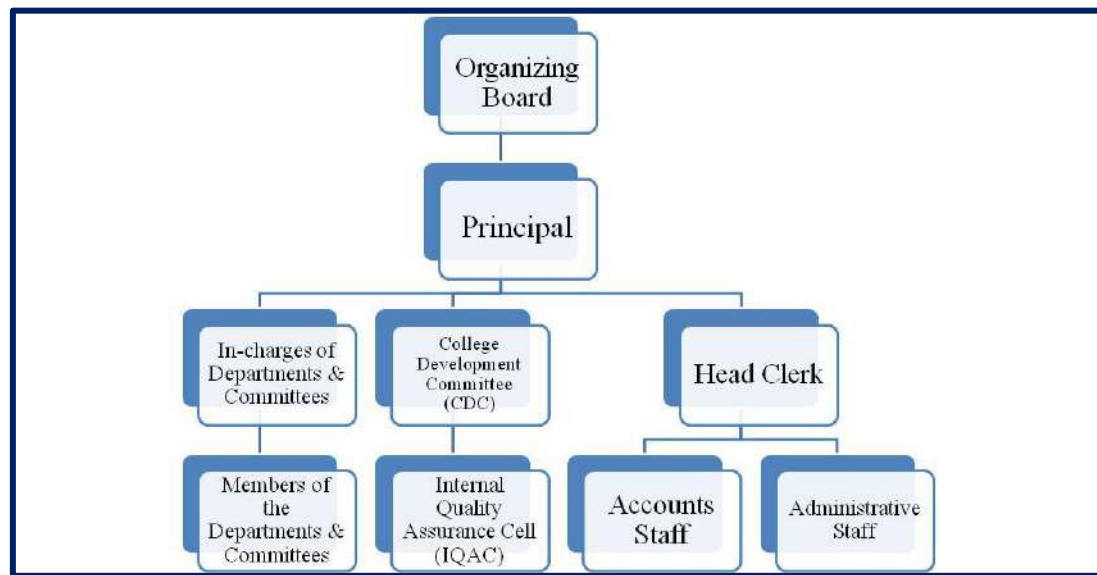

On behalf of all in the College, I present to you, the Annual Report of our College for the AY: 2017-18, which encompasses all the efforts put in by team to make the College a 'Worthy Place'.

This Academic Year, there were in all 60 registrations. Out of 60 registered students, 45 students could complete the requisite activities. The class-wise breakup of the 45 students, who were awarded 10 grace marks, is as below:

Sr. No.	Class	No. of Students
1	T.Y.B.Com.	22
2	T.Y.BMS	20
3	F.Y.B.Com.	01
4	F.Y.BMS	02
Total		45

This year a number of students opted for the Career Project and the Status of Women in Society (SWS) programs, which was a positive change in the DLLE program at the College, as the activities to complete the projects aids the students to develop their computer, surveying and report writing skills.

Student participants of the DLLE program also prepared a street play on the theme, 'Nari Shakti', and performed at inter-collegiate competitions conducted by Colleges like, Cosmopolitan Valia College, Nirmala Niketan Foundation and Sasmira Institute of Management Studies.

Environmental Studies

- The Department organized one day nature trip to The Sanjay Gandhi National Park in Mumbai, on December 23, 2017. Around 67 students participated from F.Y.B.Com. F.Y.B.Com.(B&I) and F.Y.BMS along with the committee members Mr. D.S. Mhaske and Mr. Abhijit Paradkar visited the park. The students well understood the significance of wildlife, and conservation of environment. Such visits give a clear and

broader picture of the environmental issues and challenges which create a deeper understanding among the students.

- The Department also organized solar panel for F.Y.B.Com. students on the terrace of our College. The purpose of the visit was to create awareness about renewable energy. There were around 237 students participated. The students enjoyed the visit and the same ended with intellectually stimulating interactions on solar energy. The visit highlighted the details of the site facilities, features of the plant, electrical systems evacuation of generated power, environmental and safety aspects, distribution mechanism and cost estimation. The visit was an extremely one informative and gave students a good learning experience.

Foundation Course

- On July 21, 2017 the Department conducted a poster making competition in which 18 students participated. One could see and feel the enthusiasm that the students had in their presentations. This activity kept the students engaged and it was organized to explore and encourage creativity in them as well as to offer them a platform to showcase their skills. It inspired them to think and work creatively in order to promote artistic excellence. Students came up with amazing creative ideas. Their efforts and initiatives were appreciated by everyone. The final judgment was made by our faculty, Ms. Monisha D'costa. The rubrics for judgment were originality, clarity of expression, uniqueness, connection to the theme.

Library Committee

- The Committee organized a 'Library Orientation Program' for the students of B.Com, BMS & B.Com.(Banking & Insurance) in the month of June, July & August, 2017. This was an ongoing activity where, the librarian, Ms. Sunita Bhuiya visited students in their classrooms to orient them the book collection in our library, its facilities, activities, services and rules and regulations, etc.
- The Committee organized a 'Talk on Library', for our students on July 27, 2017, in which 12 students participated. Dr. Pallav Das and Mrs. Renita Vazirani were invited as judges for the competition. The topics for the competition were:
 1. Does reading helps build all-round personality?
 2. Do you need libraries?
 3. Best self-improvement books

4. E-books or print books? The battle's still on!

The judgement was based on content, confidence and overall presentation. The students were very enthusiastic.

- On September 16, 2017, the Committee organized a 'Book Review Competition'. The books allowed for the review were fiction, non-fiction; general or any other books of their own interest, besides academic textbooks, reference books or religious books. The criteria for the review were to be based on the authors view about the concept as well as the reviewers view about the book. Mrs. Byshi Panikar & Mrs. Ridhi Parabwere appointed as judges for the competition. The judgment was based on narration and clarity of concepts.
- The Committee organized a visit to 'Nehru Centre Library', Worli, on December 20, 2017. The library is a public reference library. 34 students of our College went on this visit. The students were shown the overall structure of the library, reading room, stacking area, circulation counter, newspapers, magazines & journals sections, separate cubicles for research scholars, cubicles for using internet and Online Public Access Catalogue (OPAC), lift and ramp for senior citizens and the physically disabled and other such facilities. The students were shown a video on 'Who We Are?' On the same day, we also visited the 'Discovery of India' museum.
- The Committee took an initiative to organize a home activity in the form of a 'Bookmark Making Competition' on December 22, 2017. 13 students enthusiastically participated in the same. Mrs. Sushma Mishra – Faculty of Patuck English Medium School and Ms. Gale Fernandes – Faculty of Patuck Pre-Primary School were invited to judge the competition. The judgement was based on materials, creativity, decoration and overall finish of the bookmark.
- The Committee for the first time organized an intercollegiate book review competition on January 27, 2018, where 19 colleges across the city participated. In all, there were 38 students who participated in the competition, which included two of our College students.

The Judges for the competition were

— Dr. Ram Bhise, Senior Faculty, SIES College of Technology

- The Department organised a quiz competition on August 5, 2017. The questions were prepared and judged by Mrs. Renita Vazirani. 31 students participated in this event.
- The Department conducted a PowerPoint presentation on Feb 26, 2018 in the. The students were given the flexibility to select any topic which is their key area of interest. The presentations were judged on the basis of creativity projected by students Mrs Megha Pillai judged the competition.
- A one day Industrial visit was arranged and planned to Maganlal Chikkiwala & Krombach India Pvt Ltd. in Lonavala, Maharashtra on October 4, 2018. 122 students along with the Course Co-ordinator Mrs. Byshi Panikar and two other faculty members, Mr. Abhijeet Paradkar and Mr. Raj Thanga were part of this visit. Maganlal Chikkiwala is a small scale industry where inspite of chikki being produced manually, the monthly turnover is in crores of Rupees – a perfect example of successful small scale industry. The second industry visited was Krombach India Pvt Ltd. which is a manufacturing company that involves manufacturing of industrial valves and high precision parts. The firm manufactures and exports industrial valves. The equipment used at the industry are fully automated, therefore leading to zero defect error in manufacturing.
- A long industrial visit was conducted in Nepal where 19 students from the Management section were part of this visit. The visit took place in Gorakhpur, Uttarpradesh, where students were taken to RR Pharmacueticals and Annapurna Fertilisers. This kind of industrial exposure makes for a great learning experience, along with providing value added information to students.

Mathematics & Statistics

- The Department organized remedial lectures for the students appearing for ATKT examinations in both the semesters of the academic year 2017-18. These sessions were conducted in the month of August, 2017 and March-April, 2018. These sessions were planned to help the students with the preparation of ATKT examinations in the subject of Mathematical & Statistical Techniques.
- On February 17, 2018, the Department conducted a quiz competition. A tremendous response in terms of participation was observed in this activity. 104 students across all sections participated in the quiz. The quiz was conducted in two rounds and for the final round 12 groups, after the elimination round were selected.
- The Department also conducted a 30 hour Quantitative Aptitude course along the Department of Accountancy in which about 34 students enrolled. The course was successful and we hope to conduct many such courses in the future to come.

Parents Teacher Association

One of the objectives of Parent Teacher Association (PTA) is to promote a sense of togetherness between parents and teachers for the overall development of the students. Here in Patuck-Gala College we inspire parents and students to be safer, smarter more positive digital citizens. PTA takes an initiative to move forward together, so that success takes care of itself. PTA supports the College, teachers and encourages parents' involvement in the activities of the Institution. 32 parents contributed as PTA members this academic year. The members of PTA are actively involved in all the activities. Suggestions are taken from parents meetings that are conducted periodically, and we try to implement the suggestions and inputs given by them. We have also started taking feedback from the parents on the curriculum and facilities provided to the students in the campus. Parents were also oriented to the concept of Disaster Management in the meetings conducted. Parents are updated regarding events and schedule of examinations conducted in the college.

The PTA meetings were conducted on the following dates.

A Donation drive for underprivileged students was organized at the Zilla Parishad School in Khoun Village, Saphale. Gifts in the form of books, bags, sports gear etc. were given to the students of the school which consisted of primary students.

- On January 13, 2018 with 22 students, the Department of Foundation Course, with the sole conviction of not isolating the old and deprived, decided to visit the *Cardinal Gracias Destitutes Home*, in Santacruz West. This visit elicited a deep insight into some of the bitter and disillusioned realities of life which turned out to be an eye-opener for those who averred on their way back to be always with their parents through thick and thin.. Some of the elderly people the students met there did not come willingly. The students heard the woeful experiences of all the inmates, consoled them and offered them cakes and gifts. But the most precious of all was to give vent to the feelings of the old which made many outburst their emotions. It was really a joyous experience for all the students to visit the old age home and interact with its inmates. The most inspiring thing there was that in spite of facing so many hardships these aged people have brave hearts and are still trying to find endless ways to be happy to live.
- *NSS Special Camping Activity*: The NSS Rural Residential Camp was held at Zilla Parishad School, Borichapada, Saphale from December 24 to December 30, 2017. A total of 73 volunteers attended the camp along with 3 teachers and 1 non-teaching staff. The students performed various activities such as leveling of ground, planting trees, performing street plays, attending classes on arts, music etc. An anti – tobacco survey and campaign were also conducted during the camp. Medical Camp in association with Seven Hills Hospital was organized for the villagers where they provided free check up and consultation to the villagers.
- The NSS Unit of our College had organized a Disaster Management (DM) Orientation for all students across the Campus from February 14 to 17, 2017. The topic for the orientation was Fire Safety and General Awareness. Students from Degree College, Junior College and the school section were oriented regarding the above topics. This was done predominantly due to the implementation of the Disaster Management manual and plan in our Campus for the safety of our students. The DM Plan has been implemented after careful scrutiny by the MCGM Disaster Management Cell. We are

highly thankful to Mr. Rajendra Lokhande and Mr. Bharat Phunage of the MCGM Disaster Management Cell for guiding us in with the preparation and implementation of the DM Plan.
