- 7. To infuse technology in our methods of teaching.**

PRINCIPAL'S MESSAGE

The Academic Year 2022-23 set the time towards transition and endurance. With the Education fraternity achieving a new normal after the pandemic, Patuck - Gala College of Commerce & Management embraced a set of fresh achievements and enthralling triumphs right at the beginning. We got accredited with A+ (CGPA 3.34) by NAAC in June 2022, which solidifies the fact that the college has always strived to academic and administrative quality excellence.

This year embarked on a number of academic, co-curricular, extra-curricular and social activities. Students and staff were equally involved in the conduct of all events. Each Department conducted innovative academic activities to encourage contemporary teaching learning techniques and bridge the industry-academia gap. Committees like Cultural, Sports, Alumni, Career Guidance Cell, and Counselling Cell etc. conducted various co-curricular and extra - curricular events for the students. The college hosted the 55th Inter-collegiate Youth Festival in the category of Fine Arts and Literary Arts. Students won laurels at the Youth festival and also other inter-collegiate cultural and sports events. The Women Development Cell conducted a number of activities to create awareness and empower girls. Likewise, the Extension Units of our College DLLE and NSS centred their events towards social cause. Also, around 9 Certificate Programmes were organised by the Skill Development Committee on various aspects related to Life skills and Technical skills.

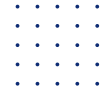

The proposal to conduct a NAAC Sponsored Seminar on Role of IQAC: Leadership Governance and Best Practices was accepted. Subsequently, the Research and Publication Cell in collaboration with the Knowledge Resource Centre organized a Conference on Cultivating Potentials in Business and Education. Good number of papers were published in the College's Insight Management Review with ISSN Number. Faculty members were deputed to various Professional and Faculty Development Programmes organised by the UGC- HRDC.

The College entered into MoU's with various reputed organizations and Institutions to promote Student and Institutional Development. Initiatives were taken by the Institution to understand the framework of the New Education Policy 2020 by deputing teachers to attend seminars and conferences. The college also has taken further steps towards autonomy by arranging sessions for the staff.

A mention of appreciation to the entire Team at Patuck-Gala College of Commerce & Management - Parents, Alumni, Students, Staff and Management who have always rendered shoulder to shoulder support in all our endeavours. It is because of their dedication and commitment that our college is scaling larger heights each academic year.

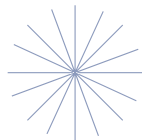

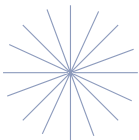

Let me take the privilege to present these highlights in our Annual Report 2022-23
